Addendum No. 0002

Addendum Type: Clarification Questions

Date: October 13, 2025

The following addendum supersedes information contained in the solicitation document issued for this procurement to the extent referenced. This Addendum forms part of the solicitation documents and will be subject to all the conditions set out in the contract conditions.

QUESTIONS FROM POTENTIAL BIDDERS

1. Q) Will a temporary electrical power supply for hand tools and water line be provided by the farm within 100' of work zone?
A) Contractors are required to include costing for electrification and water.
2. Q) Will any excavated materials have to be removed from the site?
A) Contractors are required to include costing of carting away of unused material from site which should not be a lot since most of the material will be used along the toe of the rubble walls.
